REGATTA

Dear friend of the Ghent International Spring Regatta,
Dear coach,

With April coming closer, we contact you regarding the Ghent International Spring Regatta, planned for 10 and 11 April 2021.

In these uncertain circumstances due to covid-19, the organising committee has started the preparations for this year's edition. Our event will go through if the restrictions and rules of the Belgian and Flemish government will allow for it.

We have strong hopes that our regatta will take place. However, at this point we cannot guarantee with certainty that this will indeed be the case. We understand that this may have an impact on your plans. In order for you to make plans in a timely manner, 1 March 2021 we will make the decision whether or not our regatta will go through. We will inform you about this decision in the first week of March.

Please find the programme of our regatta here. More information can be found at our website.

As we are fond to make our regatta again a great international rowing festival, we would like for you to be in Ghent again! Therefore please mark the dates 10 and 11 April 2021 in your calendar. Let's all stay positive and comply with the restrictions to get covid-19 under control.

We are looking forward to seeing you all in Ghent!

Kind regards

Jonas Deconinck
President Ghent International Spring Regatta
