Dear President
Dear Coach

Ghent, 15 February 2022

After the cancelations of the 2020 and 2021 editions of the Ghent International Spring Regatta due to the measures against the spread of the corona virus, we are particularly looking forward to seeing you at the 43rd edition of the Ghent International Spring Regatta!

In 2018, the organising committee of the Ghent International Spring Regatta established the GISR Foundation, to ensure a sustainable future for the regatta.

We yearly invest in technology and a better competitive atmosphere. We already receive support from the rowers of the Gentse RS, the City of Ghent and the Flemish Sport Federation, which we much appreciate. However, this support proves to be insufficient to entirely sustain the regatta.

Therefore, we ask every club to donate voluntarily a freely chosen amount of money to the organisation. We are convinced that every rowing club knows best what they can afford and what our needs are. Every gift will add to a great sum that will give us the possibilities to keep this regatta on the international level where we think it deserves its place.

Your donation can be made

- via bank transfer to IBAN BE94 4481 8511 6114 BIC: KREDBEBB, or
- cash at our regatta office (Gentse RS boat house) during the regatta.

Thank you in advance for your support!

We are looking forward to meet you 9 and 10 April in Ghent.

Kind regards

Jonas Deconinck
