How to reach us

We are delighted that you will participate at the Ghent International Spring Regatta 13 and 14 April 2024! With this pdf, we would like to provide information about how to reach us.

You can reach our rowing club, called 'Gentse Roei- en Sportvereniging', via the following entry on your navigation system:
street and number: Vissersdijk 1
postal code and city: 9000 Ghent
country: Belgium

Road works 'Noorderlaan' There are road works at the 'Noorderlaan', the street at the north side of the regatta course, which renders it only usable for bicycles. To reach the boat parks, you should 'Zuiderlaan' at the south side of the regatta course.

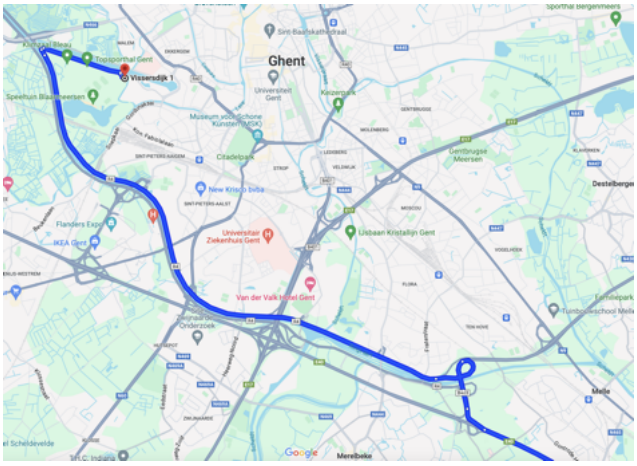
Coming from a particular direction



coming from Brussels via motorway E40

coming from Ostend via motorway E40

coming from Antwerp via motorway E17

coming from Lille via motorway E17

When coming from Lille, make sure to use exit number 8 ‘De Pinte’ to leave the E17 and use the ‘N60 – Grote Steenweg’ direction Ghent. This is because the connection from the E17 to the E40 at the intersection between E17 and E40 is closed due to road works.
